## NOTICE OF MEETING OF THE DEVELOPMENT STANDARDS DEPARTURE ADVISORY COMMITTEE FOR WILSON PACIFIC ELEMENTARY AND MIDDLE SCHOOL

The Seattle School District is requesting a waiver (departure) from some City zoning regulations for the construction of a new Wilson Pacific Elementary School and new Wilson Pacific Middle School. The District plans to demolish the existing school and construct a new elementary and middle school building. The School District is requesting modifications for greater than allowed building height, increase on-site parking spaces and parking location and off-street bus loading and unloading. The process for considering this request includes hearings before an advisory committee composed of neighbors and School District and City representatives.

The Committee will gather and evaluate public comment on the departure request(s). The Committee can recommend waiver (departure) and any relevant conditions to be applied to minimize its impacts on the surrounding neighborhood, or recommend denial. The Committee may make its recommendation following this meeting, or hold up to two additional meetings prior to making its recommendation.

The Committee has been formed and will hold its first public meeting:

Date:	<u>Tuesday, March 18, 2014</u>
Time:	6:30 PM
Place:	North Seattle Community College 9600 College Way North Seattle, Washington 98103 Library Building Conference Room LB 3129

The meeting will include a brief presentation on the requested modifications to development standards (zoning) that have been requested. Following this presentation, the Committee will consider its recommendations. An additional meeting may be held if the Committee concludes that more information is needed.

The public is invited to make comments at the meeting. Written comments may also be submitted to:
